- Meets its duty of care in relation to the health and safety of our members and guests who attend our club functions.
- Upholds the reputation of the club, our sponsors and partners.

Accordingly, the following requirements will apply to all players, coaches, officials, members, committee members, club visitors, club facilities, club functions and other activities undertaken by the club where alcohol is consumed.

GENERAL PRINCIPLES

- A risk management approach will be taken in planning events/activities involving the supply or consumption of alcohol. Such events will be conducted and managed in a manner consistent with liquor licensing legislation and this policy.
- A liquor license will be required at any event where alcohol is to be sold.
- Alcohol misuse can lead to unsafe or unacceptable sexual and/or violent behaviour, drink-driving and other alcohol-related harm. Excessive consumption of alcohol will not be an excuse to unacceptable behaviour, particularly behaviour that endangers others or breaches the law, this policy or any other policy of the club.

COMMITTEE MEMBERS, MEMBERS, PLAYERS AND OFFICIALS

- Must not provide, encourage or allow people aged under 18 to consume alcohol.
- Must not participate in or encourage excessive or rapid consumption of alcohol (including drinking competitions).
- Must not pressure anyone to drink alcoholic beverages.
- Must not post images on social media of themselves or others drinking alcohol at club-related activities.
- Must accept responsibility for own behaviour and take a responsible approach and use good judgment when alcohol is available.

FUNCTIONS

- Intoxicated people will be asked to leave the premises (after appropriate safe transport options are offered).

- Where possible, alcohol will cease being served at least an hour before the designated time for close of the function. Non-alcoholic beverages will be made available at this time.

The club will not:

- Conduct functions where the caterer/venue requires a minimum amount of liquor sales or the liquor provider is paid by a percentage of sales

Club Trips

The club will monitor and ensure any club trips strictly adhere to responsible behaviour and alcohol consumption in accordance with the principles of this policy and the aims of the club. The club will not actively promote or fundraise for player's end of season trips, thereby minimising the club's risk and liability if an alcohol-related incident occurs.

Awards/Prizes

The club will avoid providing awards (e.g. at end of season presentations) and fundraising prizes that have an emphasis on/use alcohol as a reward.

While Glen Waverley Bowls Club wishes to avoid club members becoming intoxicated and notes the recommendation by the National Health and Medical Research Council to consume no more than four drinks in one sitting, as part of our club's duty of care we encourage our members to plan safe transport home. This will reduce the risk of drink-driving, injury or worse.

Alcohol and drugs affect pedestrians and drivers' abilities to stay safe. They affect decision-making, reaction times, speed and distance judgements, concentration, balance, perception and alertness. It can also increase risk-taking behaviour by giving a pedestrian or driver a false sense of confidence.

Sporting clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

3. GENERAL PRINCIPLES

Our club recognises that:

- Drink driving is one of the main causes of road deaths in Australia.
- Driving when over the legal blood alcohol limit is illegal and hazardous to individuals and the wider community.

- Mixing drugs (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely.

4. TRANSPORT FOR CLUB ACTIVITIES

This safe transport policy applies for all activities undertaken by the club that involve the serving and/or consumption of alcohol.

Our club will:

- Promote strategies that encourage members to plan how they'll get home safely before they go out e.g. pre-arranged transport.
- Print safe transport messages on relevant club activity and event invitations or flyers.
- Ensure the MC for events or club committee members advise attendees that the club is a Good Sports accredited club, communicate the safe transport options and regularly remind attendees to behave responsibly around alcohol.
- Ensure telephone calls can be made free of charge to call a sober person to provide transport from the club or venue.

Where available, our club will also consider:

- Use of a club or community bus (such as council, school or tourist buses) and:
 - The bus or transport provided will be an alcohol-free zone (i.e. no alcohol will be permitted on the bus).
 - The bus will not be used to transport members between licensed venues.
 - People who have consumed alcohol can get home safely from the bus drop off point.
- Use a range of taxi or ride share strategies such as:
 - Free telephone calls to arrange a taxi to provide transport from the club or venue.
 - The club committee will pre-order taxis to arrive at a club or venue at the conclusion of a club event or function.
 - Encourage club members to utilise a ride share service.

5. CLUBS WITH A LIQUOR LICENCE FOR ANY CLUB EVENTS OR FUNCTIONS (Delete if it is not relevant to your club)

Our club will promote low alcohol and non-alcoholic drinks as options and available at reduced prices.

Bar staff/ servers of alcohol will encourage members, volunteers and visitors to:

- Consume food while drinking alcohol at the club.
- Consume alcohol in moderation bearing in mind our commitment to the Good Sports program, its philosophies and policies.
- Make alternate safe transport arrangements if they are considered to be intoxicated or at risk of exceeding the legal limit (e.g. free call to a taxi/friend/family).

• CONDUCT EXPECTATIONS

Whilst engaging in club activities, members, volunteers and visitors will:

- Accept responsibility for their own behaviour, use good judgment and take a responsible approach towards alcohol consumption.
- Encourage and assist others to use good judgment regarding alcohol consumption.
- Make alternative transport arrangements to get to and from the activity safely.
- Share a taxi or ride share (where available) with friends.
- Consider arranging overnight accommodation.

APPENDIX 6
SMOKING MANAGEMENT POLICY

SMOKING MANAGEMENT POLICY

GLEN WAVERLEY BOWLS CLUB INC

1. PURPOSE

This policy outlines our procedures for tobacco and e-cigarette use in club venues and at club games, special events, functions and other club-related activities. It represents our club's commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

This policy will help to ensure our club:

- Meets its duty of care in relation to the health and safety of our members, volunteers and visitors who attend club games, special events, functions and other activities.
- Upholds the reputation of our club, our sponsors and partners.
- Understands the risks associated with tobacco use and our role in minimising this risk.

2. RATIONALE

Glen Waverley Bowls Club recognises that:

- Environmental (second-hand) tobacco smoke is a health hazard and that non-smokers should be protected from it.
- Role modelling can have a significant impact on the junior members of our club.
- Smoke free areas make smoking less visible and less acceptable and contribute to reduced uptake of smoking among young people.
- Smoke free areas support smokers who are trying to quit as well as reduce their overall cigarette consumption.
- Outdoor smoke free areas help to reduce the amount of cigarette butt litter reducing clean-up costs, fire risk and children's health risk due to swallowing discarded butts.
- Smoke free environments can help attract new members and positively promote our club in the community.

3. GENERAL PRINCIPLES

Smoking restrictions for sporting clubs differ from state to state and are strengthened regularly. Our club will comply with all relevant state and local government smoking restrictions.

Our club recognises the importance of educating club members, particularly players, of the benefits of implementing a smoking management policy and will provide information to assist this process. In addition, the club will promote resources for members wishing to quit, including the national Quitline (13 78 48, quitnow.gov.au), where appropriate.

The following policy shall apply to all club members, volunteers and visitors:

- Smoking in this policy includes the use of any form of e-cigarette device.

- Cigarettes, e-cigarettes and any other tobacco products will not be sold, including from vending machines, at any time at or by our club.
- Many young people hold parents, teammates and coaches in high esteem and smoking around them sends the message that smoking is okay. Therefore, we expect that coaches, players, officials and volunteers will refrain from smoking while involved in an official capacity for the club, on and off the field.
- To foster our club's reputation as a healthy environment, no images of club volunteers, members, officials, coaches and players smoking at club-related activities will be placed on social media.

4. SMOKE FREE AREAS

Our club requires the following areas of the club's facility to be smoke free:

- All indoor areas
- All outdoor playing/training areas
- All spectator areas (standing and seated, covered and uncovered)
- All canteen, catering, eating and drinking areas.

Smoke free areas will be signed (where possible) and promoted in club materials. The designated smoking permitted area is the paved area.

5. PROMOTING THIS POLICY

Our club will promote this policy regularly by:

- Placing a copy of the policy in club newsletters, printed member information and on the website.
- Promoting positive smoke free messages through the club's social media.
- Displaying a copy of the policy in the club rooms.
- Periodic announcements to members at functions.
- Placing non-smoking signage in prominent locations both indoors and outdoors.

6. NON-COMPLIANCE

All club committee members will uphold this policy and any non-compliance will be handled according to the following process:

- Club members and/or guests should notify the committee of any breaches of this policy.
- A friendly approach will be made to the person smoking, explaining our club policy, and directing them to any areas where smoking is permitted.
- Continued non-compliance with the policy should be handled by at least two committee members who will use their discretion as to the action taken, which may include asking the person/ people to leave the club facilities or function.
